The 14th International Conference on Environmental and Rural Development

at Siem Reap, Cambodia, 3-5 March 2023

The International Society of Environmental and Rural Development is pleased to announce the 14th International Conference on Environmental and Rural Development, the 14th ICERD, to be held in Siem Reap, Cambodia, **3-5 March 2023**. The main objective of this conference is to discuss and develop the suitable and effective processes and strategies for sustainable agriculture and rural development taking into account of innovation and green technologies. Scientists and facilitators of all disciplines belonging to international, governmental or non-governmental organizations are invited to participate and submit contributions.

VENUE: Angkor Paradise Hotel (tentative) in Siem Reap, Cambodia

THEME: Innovation and Green Technology for Sustainable Agriculture and Rural Development

Education for Sustainable Development (Environmental education, Food and agricultural education, Participatory approach, Capacity building, Entrepreneurship, Community empowerment, Agricultural extension, etc.)

Rural Development (Marketing, Partnership, Value added product, Community development, Access to technology, Gender, Cultural preservation, etc.)

Environmental Management (Bio-diversity, Soil degradation and land conservation, Water quality conservation, Sustainable forest management, Environmental management, Zero emission, Climate resilience, etc.)

Agricultural Systems and Food Innovation (Organic farming, Conservation tillage, Mechanization, Smart agriculture, Irrigation and drainage, Nutrient and pest management, Agroforestry, Indigenous technology, Animal management, Food Science and Technology, Aquaculture, etc.)

Infrastructural Systems (Water resource development, Land reclamation, IT, Road construction, etc.)

LANGUAGE: English

PUBLICATIONS: Potential participants are invited to submit an **abstract** through e-mail to the Organizing Committee in the Royal University of Agriculture, Cambodia at 14icerd@rua.edu.kh by 30 Nov. 2022.

Full manuscript submitted to the Secretariat of the International Society of Environmental and Rural Development, ISERD, at iserd.secretariat@gmail.com will be published in the **International Journal of Environmental and Rural Development, IJERD**, an indexed journal in 'J-STAGE', 'EBISCO', 'AGRICOLA', GOOGLE SCHOLAR etc., after a peer-reviewing process.
